We will uphold best practices for your safety and health and here is how you can help us:

- Check your temp before leaving home if it is above 99.9 please stay home.
- Bring your mask and wear it at all times (we have spares if you forget).
- Wash your hands before joining us because "Jesus and germs are everywhere!"
- Come laid back because you may wait a few moments outside as we seat folks.
- Making Reservations is so important for us to insure everyone's safety.
- You will receive help on how to receive communion safely once we begin.

More information will be forthcoming in our weekly newsletter
