

NOTES 5/19/2021: This document is subject to revision. It is my hope to invite more people to serve. Ideally we would have three Holy Ministers (Priest, Deacon, Sub Deacon); Crucifer/Acolyte; Thurifer. it would also be great to have "torches" for the Gospel Procession at least for High Festival Masses. After June 16 Luigi will be the Deacon of the Mass until Buck returns then we will do a rota for Deacon(s). We will start to use two readers until we establish the order of sub-deacon again. At times I will use altar party at times readers from the rota. All is subject to change.
